**GIVING BACK
TO THE COMMUNITIES
IN WHICH WE OPERATE.**

Welcome

Good evening and welcome to Brickfield Lane for this Pitching In Southern League Division One Central match against Potters Bar Town. We wish their players, officials and supporters an enjoyable short stay with us and a safe journey home afterwards. We also welcome today's match officials.

Potters Bar arrive here following a 2-5 home defeat against Biggleswade FC last Saturday in the FA Trophy. They have started their league campaign well and currently sit third in the table. From the four games that they have played in the league, they are undefeated with two wins and two draws.

We are still yet to get off the mark this season, although recent performances have not reflected the results. On Saturday we hosted Beaconsfield Town and after an even start to the game, we found ourselves 1-0 down after half an hour played when Beaconsfield scored with a well taken finish from a corner. Luke Alfano went close to an equaliser shortly after, but was denied by a good save from the Beaconsfield keeper. Unfortunately we found their keeper in good form for the rest of the match, and despite enjoying a fair share of possession and creating a couple more good openings, we were unable to draw level and our visitors got the win.

Enjoy the game

Facing us today – Potters Bar Town FC

Potters Bar Town Football Club is an English football club based in Potters Bar, Hertfordshire, England. They were formed in 1960 as Mount Grace Old Scholars, and, after dropping 'Old Scholars' from the name in 1984, changed to their present name in 1991.

1960s

In 1960, Ken Barrett, who was a PE Master at Mount Grace School at the time, formed a football club for former scholars. The club played in Division One of the Barnet & District League in their first season, 1960–61. In May 1965 the Barnet & District League and the Finchley & District League merged to form the North London Combination, in which the club then played, winning the Premier Division championship in 1967–68. The club joined Division Two of the Hertfordshire County League the following season and won the championship and promotion to Division One at the first attempt.

1970s

Mount Grace Old Scholars won the championship of Division One of the Hertfordshire County League and promotion to the Premier Division in the 1973–74 season. They finished bottom and were relegated back to Division One in the 1978–79 season.

1980s

Following two third-place finishes, the club won the Division One championship and renewed promotion to the Premier Division in the 1981–82 season. The club spent the rest of the 1980s in this division.

1990s

In the 1990–91 season, the club reached the third round of the FA Vase, and won the Herts Senior County League Premier Division and the Aubrey Cup. The change of name to Potters Bar Town coincided with joining the South Midlands League Premier Division. In the 1996–97 season, the club won the championship on goal difference. In the following season, 1997–98, the club were runners-up in the Spartan South Midlands League Premier Division North, and reached the quarter-finals of the FA Vase.

Recent history

Under Steve Smart and assistant Paul Surridge, the club won the Spartan South Midlands League Premier Division Cup, the Herts Charity Shield, the Potters Bar Charity Cup, and the South Midlands League Premier Division Championship, thus winning promotion to

Division One East of the Southern League, in the 2004–05 season. When Potters Bar built their turnstile block, to join the Southern League in 2005, their turnstiles came from the old Wembley Stadium. After one season, the club moved sideways to the Isthmian League Division One North.

Andy Leese and assistant Jon Meakes joined Potters Bar Town in February 2006 and steered the club away from relegation and in the 2006–07 season they then guided Town to a modest 14th in the league. The Scholars also captured the Herts Charity Cup in 2007. However Leese and Jon Meakes resigned from The Scholars to take over the job at Chesham United. Steve Browne left in December 2008 and the new manager was Adam Lee, formerly, manager of Wingate & Finchley. The club was placed back in the Southern League (Division One Central) for the 2013/14 season. Adam Lee resigned in October 2013 and was replaced by Jack Friend. Friend departed in February 2015, and was replaced by Steve Ringrose.

Potters Bar got promoted from the Bostik League Division One North to the Bostik Premier League in the 2017–18 season by finishing second. They secured promotion with a 3–0 win against Barking. In the 2019–20 season the club were drawn against Barnet in the FA Cup qualifying fourth round. The BBC selected the game to live-stream on their services making this the first full live game in Potters Bar history. The game finished 1–1 with the Scholars scoring in the 101st minute of injury time to force a replay. However at The Hive they lost 3–1. The 2025–26 season saw the club relegated to step 4 following seven years in step 3.

A brief history of Hadley FC

Founded in the 1882/83 season, a notable achievement during the early years was a 1-0 defeat of Tottenham Hotspur. This was at a time when the club attracted crowds of several hundred to Hadley Common. Lester Finch joined Hadley in 1925 and later went on to become a Barnet FC legend, also representing Great Britain at the 1936 Summer Olympics and playing for England in 1941. We played in a number of different leagues at lots of different home grounds for many years before moving to Brickfield Lane in 1992. Despite success on the pitch in the Herts County League in the early 2000's, facilities at Brickfield Lane did not enable promotion. Therefore, in 2008 we joined the Spartan South Midlands League Division Two and began ground-sharing at Potters Bar Town FC. Back-to-back promotions saw us reach the Premier Division (Step 5 of the National League System) by 2010-11. In 2016 we returned to Brickfield Lane following over £500,000 worth of facilities improvements. In the summer of 2019, we were moved to the Essex Senior League where we stayed for two seasons but unfortunately neither season was completed due to COVID-19. In the summer of 2021, following more restructuring of the National League System by the FA, we were moved back into the Spartan South Midlands League. The 2021-22 season was very successful, reaching the Second Round Qualifying of the FA Cup, narrowly losing 2-1 at home against Enfield Town in a replay. We then went on to reach the final of the Herts Senior Cup where two late goals gave Cheshunt (who went on to gain promotion into the Vanarama National League South at the end of the season) a 2-0 win. We finished third in the league but due to Risborough Rangers not meeting the FA ground grading, we were promoted to Step 4 (for the first time in our history) and the Southern League Division One Central for the 2022-23 season. The 2021-22 season was topped off by us winning the Gladwish Challenge Trophy following a 3-1 win against Stotfold in the final. Our first two seasons in the Southern League Division One Central saw us finish in 9th and 8th position respectively. Last season (2024-25) saw us make the playoffs, a fantastic achievement. We also won the Herts Charity Cup and reached the Third Round of the FA Trophy narrowly losing away at Oxford City after beating AFC Telford United, Hastings United, Carshalton Athletic, Ipswich Wanderers and Grays Athletic in the previous rounds - again a fantastic record that will be hard to beat. 2025-26 was another credible finish in the Southern League Division One Central, finishing just above mid-table in 10th position. A highlight of the season was an FA Trophy Third Round Qualifying win against Dartford - another big non-league club who we have defeated in the competition. We look forward to the 2026-27 season.
