**Hadley v Harpenden Town**  
**Spartan South Midlands League**  
**Premier Division**  
**Saturday 12th January 2019 3.00pm,**  
**Brickfield Lane**

Good afternoon and welcome to this afternoon's Spartan South Midlands League Premier Division game against Harpenden Town FC. We hope their players, officials and supporters have an enjoyable short stay with us and have a safe journey home later. We also extend a very warm welcome to our three match officials, Elliot Mayer (Ref), Gary Thomas (Ass Ref) + Simon Cudner (Ass Ref).

This is our second meeting with Harpenden this season, with Hadley gaining a narrow 1-0 away win earlier in the season. Harpenden have struggled this season, after a fantastic 3rd place last season, with several of their key players moving to clubs higher up the pyramid. Their recent form has been encouraging although they had a setback at Stotfold last week, losing 1-2.

In our last game, we kicked off 2019 in style with a 3-0 home win against Edgware Town thanks to a Manny Hammond hat trick and we are now in 2nd place in the league, level on points with leaders Tring Athletic.

I would like to wish good luck to both sides this afternoon and hope all of you enjoy the game and get behind the Bricks!

Guy Slee  
Chairman, Hadley FC

# FACING US TODAY— HARPENDEN TOWN FC

Harpenden Town enjoyed their 125 years anniversary last season and celebrated the milestone by winning promotion to the Spartan South Midlands premier League. It was the culmination of three magnificent years under manager Danny Plumb with the guidance of chairman Roman Motyczak.

In season 2014/15 the Harps finished sixth in the SSML Div.1 but raised £110,000 to totally refurbish the clubhouse so the facilities matched the players ambitions.

In 2015/16 Harpenden qualified for the FA Vase for the first time in many years and finished fourth in the league.

But last season, the anniversary year, Harpenden won their first tie in the FA Cup for 14 years and despite being 2nd from bottom in September clawed their way up the table with a run of 11 wins on the bounce, leading the table over Christmas. Manager Plumb was haunted by the fact that every game for the rest of the season was a MUST WIN but the lads pulled it off and ended second with promotion. Over the last 4 years attendances have increased with over 200 fans attending the final home game of the 2016-17 season which has traditionally been used to raise funds for charities such as Prostate Cancer and Crohn's & Colitis UK.

Other recent milestones included striker Harry Hunt passing 100 goals for the club, Stephen Hartnup's development squad bringing on young stars from Harpenden Colts, new Assistant Manager Michael Jones who works for Watford FC Academy Trust injecting fresh talent which integrated really well and old stalwarts like Jack Cartwright, Tony Golder and Matt Sutton holding it all together at the back.

So it all started in 1891 with Harpenden FC playing in the Mid-Herts League and winning it on numerous occasions. Town was added to the name in 1908. Town climbed into the South Midlands League in 1957 winning the Premier Division in 1962 and 1965 and in 1968 winning the Herts Charity Shield and South Midlands League Shield. Season 1990-91 saw a big investment in the club with the Centenary Stand and floodlights both going up. The club entered the FA Cup for the first time in 1998.

As always with success there were also turbulent times and Harpenden were relegated from the Premier League in 2000 and again in 2005. In 2006-07 a new committee was in place and they gained the FA Charter Standard Accreditation putting the right structures in place. Success followed a year later when the club was named Herts FA Chartered Standard club of the year thanks to community work, an anti-racism event, adult seven-a-side comp, free coaching for juniors and nurturing women's football.

A new committee and management team led by Roman and Danny joined in the Summer of 2013 with key aims of refurbishing the clubhouse (TICK), making HTFC the focus for football in Harpenden (TICK) and winning promotion (TICK).

Those who don't like change please note Wynn Owens, who has been connected with the club since 1988, continues as President.

We are always looking for more local people to be involved, whether running the club or by sponsoring Harpenden Town. If you want to help please contact our chairman at [roman.motyczak@pro-tech.co.uk](mailto:roman.motyczak@pro-tech.co.uk).

We would like to thank all our sponsors who have advertised in the programme or with boards around the ground, without you the club's success would not be possible.

# EXPLETIVE!

Our Club is fully supportive of the Leagues' Mind Your Language Initiative, to eradicate offensive behaviour within these grounds.

It is our wish for everybody to feel comfortable here and to encourage everyone, especially younger people to enjoy their time with us, this won't happen if they are listening to constant foul and offensive language.

Cheer your team, enjoy the day,  
but keep those swear words far away...
