**Hadley v London Tigers**  
**Spartan South Midlands League**  
**Premier Division**  
**Saturday 3rd November 2018**  
**3.00pm, Brickfield Lane**

Good afternoon and welcome to this afternoon's Spartan South Midlands Premier Division game against London Tigers FC. We hope their players, officials and supporters have an enjoyable short stay with us and have a safe journey home later. We also extend a very warm welcome to our three match officials.

This is our 2nd meeting with Tigers this season. We met last month in the Premier Division Cup, where Tigers secured a victory on penalties after the sides drew 1-1 in normal time. It was a game we really should of won, but proves how dangerous Tigers can be. They have always proved difficult opponents and today will be no different.

In our last game we went out of the Challenge Trophy following a tight 1-0 defeat at Biggleswade United, where an excellent long-range strike was enough to separate the two teams. We look to bounce back and build on our excellent league form this afternoon

I would like to wish good luck to both sides this afternoon and hope all of you enjoy the game and get behind the Bricks!

Chairman, Hadley FC

# FACING US TODAY— LONDON TIGERS FC

London Tigers began life as a small local football club in 1986, under the name Marylebone FC. This was run by a handful of dedicated volunteers with a passion for football, who organised training at North Westminster Upper School (now known as Westminster Academy). The training sessions engaged young people from deprived inner city areas from across Westminster to enter into all types of sporting activities and to realise their dreams and aspirations around sports in general. Marylebone FC competed in local, regional and national small-sided competitions and became a renowned and dominant force within the Asian sports scene.

By the mid 90's the membership and activities of the club became so diverse, there was a clear need to set up formal structures and processes to ensure the legacy of the work within a quality assurance framework. London Tigers was therefore formed to cater for the health and sporting needs for people living in the North Westminster area. Two youth teams were set up who participated in the Lillie Road 5-a-side league. As the club grew and the young players became older, London Tigers joined mainstream leagues.

In 2002 London Tigers FC joined the Middlesex County Premier League. During this time we won the Alex Smith Premier Divisions Cup 2006 and were one of the dominant teams in the league. We played an exciting brand of football that focused on the ethos of players enjoying playing football expressing themselves.

In 2006, having achieved success in the Middlesex County League, London Tigers joined the Spartan South Midlands League, providing opportunities to inner city young players to play football at a more challenging semi-professional level. Along with the challenge of a new league came the amalgamation of London Tigers with Kingsbury Town FC and a new management team of Eddie Cardoso to take London Tigers forward as a united Kingsbury London Tigers FC.

Valdas Dambrauskas managed seasons 2007 – 2010, which also marked the beginning of our youth development strategy and progression within the club. Valdas and Eddie combined forces to achieve the greatest period of success in London Tigers history, seeing the team playing some superb football, finishing 5th in 2009 and narrowly missing out on promotion. Under their stewardship, London Tigers FC also created history in 2008 by becoming the first club in Westminster for over 100 years to play in the FA Cup and win their first qualifying match.

After Valdas progressed to a professional club, FK Ekranas, Giorgi Minashvili took over as manager for season 2010 – 2012 with the additional task of developing London Tigers' under 18 players so that there was a conveyor belt of players being readied to play in the senior team. This was a period of consolidation as the structure of the team developed. 2011 was a defining year for London Tigers as we moved to our own home ground in Greenford, setting up as an independent club away from Kingsbury, forming a Football Committee and a formal constitution under the brand of London Tigers FC.

Armand Kavaja came on board for seasons 2010 – 2016 with new players to replace the ones that left, with many leaving to take up professional contracts abroad or their own homelands. The team settled into their new home ground which required considerable renovation over this period. In 2015/16, Tigers succeeded in progressing beyond the 2nd qualifying round of the FA Vase Cup. Season 2016/17 started off with a new management team through a joint venture that saw London Tigers work with external partners for the first time. This proved to be a difficult process and saw significant shifts in structure and playing styles that impacted on the performance levels on the pitch. We stabilised the structure of the team in 2017/18 with a substantially new cohort of players and a new management team.

Season 2018/19 begins with the structure cemented from a position of consolidation from last season with an established cohort of players and continuation of the management team, led by ex-Kosovo national team player, Naim Berisha. This season looks set to be an exciting year for London Tigers as we aim to progress from our upward curve from last season.

# Midweek League Roundup

## MIDWEEK HEADLINES

The temperatures dropped midweek as the SSML's equivalent of the FA Cup, the League Challenge Trophy took centre stage. With a large army of witches, ghouls, goblins along with numerous other costumes taking to the streets for Halloween there were certainly a few tricks and treats served up.

30/31 October Stats: 15 games played of which 9 were home wins and 6 were away wins.

Highest Midweek Attendances: 92 Colney Heath v Stotfold, 82 Leighton Town v Hillingdon Borough and 61 Biggleswade FC v New Bradwell St Peter FC.

## LEAGUE CHALLENGE TROPHY First Round

What a difference two months can make in football, back in September Premier Division Leverstock Green dished out a 10-0 thumping over Division Two side Unite MK in the FA Vase. On Wednesday night the Milton Keynes side produced a moment of pure giant-killing when the sides meet again this time at Unite MK in the League Challenge Trophy. A goal down the hosts hit back after the break to claim the scalp of their Hertfordshire visitors by the odd goal in three.

## LEAGUE CHALLENGE TROPHY Second Round

Cup shocks were in evidence at Amptill Town, Buckingham Town, Cockfosters, Enfield Borough and Wodson Park where the lower ranked sides overcame higher opposition to book their places in the Third Round. Amptill Town edging out London Tigers by the odd goal in three, Buckingham Town and North Greenford United FC served up a seven goal thriller with the hosts finally winning 4-3. Premier Division Cockfosters fell to Division Two side Sarratt by a solitary goal while Division One Enfield Borough bounced back from Saturday's heavy league defeat to knock out Premier Division side Arlesey Town. Division Two club MK Gallacticos won 5-3 at manager-less Division One side Wodson Park. Elsewhere Biggleswade FC where made to work hard before seeing off Division Two side New Bradwell St Peter FC 4-1, a scoreline that was somewhat harsh on the battling visitors. Crawley Green came from 0-2 down to defeat Amersham Town 7-3 while there were also wins for Biggleswade United, Leighton Town, Tring Athletic, Winslow United and Potton United.

## PREMIER DIVISION

The midweek only league action saw Colney Heath move into the top six with a 4-0 success over bottom club Stotfold.

## BEDS SENIOR TROPHY Second Round

Langford's solitary goal win at Beds County League side Cranfield United earned them a quarter final place, the deadlock being broken by a Charlie Rome strike in the first half.
